

## Introduction

- Attention Getter (hook)
- Thesis Statement (purpose)
- Preview of all main ideas

(Transition from intro into body)

- I. Main point one
  - A. Supporting detail/evidence
  - B. Supporting detail/evidence
  - C. Supporting detail/evidence

(Transition from 1<sup>st</sup> point to 2<sup>nd</sup>)

- II. Main idea two
  - A. Supporting detail/evidence
  - B. Supporting detail/evidence
  - C. Supporting detail/evidence

(Transition from 2<sup>nd</sup> point to 3<sup>rd</sup>)

- III. Main idea three
  - A. Supporting detail/evidence
  - B. Supporting detail/evidence
  - C. Supporting detail/evidence

(Transition from 3<sup>rd</sup> point into conclusion)

## Conclusion

- Restate thesis (purpose)
- Restate key points (main ideas)
- Clincher or final thought

## Introduction

- Mother in law story
- Don't Smoke Cigarettes
- Unhealthy, addictive, harmful to others, costly

### I. Unhealthy

#### A. Cancer

1. Oral
2. Lung
3. Breast

#### B. Respiratory

1. Emphysema
2. Bronchitis
3. Asthma
4. COPD

#### C. Heart Disease

1. Blocked arteries
2. Heart attack

### II. Addictive

#### A. Cigs contain nicotine

#### B. Nicotine is addictive

#### C. Addiction is hard to beat

#### D. Cigs addictive habit

### III. Cigs are harmful to others

#### A. causes SHS related health problems

#### B. SHS odor issues

#### C. SHS yellowing

### IV. Cigs are costly

#### A. Imagine winning lottery

#### B. price tag to die

#### C. price breakdown

1. pack/day/month/year
